## Assorter 4-15

Environmentally friendly, made from recyclable materials.

Assorter is the only one of the 3 raaco box systems available with fixed compartments. It's a well thought-out system designed and created for practical sorting.

We have 6 models with fixed compartments. 3 sizes where the largest box is equipped with U-profiles inside the lid to keep the contents in place during transport.

> 15 fixed compartments Made of polypropylene (PP)

Depth: 260.0 mm Width: 338.0 mm Height: 57.0 mm Weight: 0.668 kg
